## DETAILED ACTION

1. The following is an examiner's statement of reasons for allowance:

This Office action is in response to an Amendment filed 09/19/06. Claims 2-7, 12, 17 and 18, are pending, of which, claims 8-11, 13-16 and 14-16 are cancelled.

In response to the amendments filed September 19, 2006, applicant's request in view of the amendments and remarks have been reviewed and respectfully considered.

According to applicant's response independent claims 2, 7 and 12 have been amended or/and written to include the subject matter contained in claims that were allowed in the last Office action, which is now canceled claims.

Applicant's arguments/remarks as indicated on page 6 through 7, are believed to be distinct from the prior arts used to reject the application.

Therefore, claims 2-7, 12, 17-18 are allowed for the reason the prior art searched and of record neither anticipates nor suggests the claimed invention as amended.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Negussie Worku whose telephone number is 571-272-7472. The examiner can normally be reached on 9am-6pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Moore can be reached on 571-272-7437. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 2625

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
